

# Digesting Data

A hands-on learning workshop for  
Charter School Board Members

October 10<sup>th</sup>, 2018 5:00 – 7:00pm

2960 Speer Blvd, Denver, CO

Presented by  EdPlex

## Goals

- Learn about state mandated assessments
- Understand Colorado's median growth percentile
- Practice analyzing data

Each participant will receive a **customized one-pager** of their school's **real data** from 2017-18. The workshop will guide participants in digesting this data.
